In the summer of 2018, #NWF partnered with Dehcho First Nations and Dehcho AAROM to help facilitate the Willow Lake Youth Ecology Camp. Read about PhD student @stephwoody 's experience at this On-the-Land camp: bit.ly/2RMrOuA @LaurierResearch @gwf_yp @GWFutures

Last week we had an incredible experience learning how to teach youth environmental education. Our workshop participants really got into the action, teaching each other the anatomy and physiology of a ptarmigan! @wklem1 @KathDearborn @GWFutures @gwf_yp @CoryWallace7
